**REMARKS/ARGUMENTS**

Claims 1 through 11 remain in this application and have been allowed.

The above Notice of Drawing Inconsistency With Specification states that FIG. 3A is not contained in the drawings and FIG. 4 is not listed in the BRIEF DESCRIPTION OF THE DRAWINGS.

In the drawings, FIG. 3 of Sheet 3/4 has been relabeled as FIG. 3A, in order to be consistent with the reference to FIG. 3A in the specification. An annotated sheet showing the change to Sheet 3/4 and replacement sheets for all drawings accompany this Amendment. Approval of the above change to the drawings is respectfully requested.

In the specification, the BRIEF DESCRIPTION OF THE DRAWINGS has been amended to include a reference to FIG. 4. Support for the added language is provided at page 7, lines 12 and 13, of the specification. In addition, the DETAILED DESCRIPTION OF THE INVENTION, namely page 7, line 13, of the specification, has been amended to correct an innocuous, typographical error. Approval of the above changes to the specification is respectfully requested.

**CONCLUSION**

No amendment made was related to the statutory requirements of patentability unless expressly stated herein. Also, no amendment made was for the purpose of narrowing the scope

of any claim, unless Applicants have argued herein that such amendment was made to distinguish over a particular reference or combination of references.

The Commissioner is hereby authorized to deduct any additional fees arising as a result of this response, including any fees for Extensions of Time, or any other communication from or to credit any overpayments to Deposit Account No. 50-2117.
